Re: **United States v. Mariah Jaquez**
21 Cr 190-3 (JPO)

Dear Judge Oetken:

I write to request the Court extend Ms. Jaquez's curfew until 3:00 AM on Saturday, July 15 and Sunday, April 16 for to attend two family events. For the Saturday into Sunday event, Ms. Jaquez further requests permission to travel to the Eastern District of Pennsylvania, as the event is across the border in Pennsylvania. Ms. Jaquez's curfew is already extended for work purposes. She has permission from her shelter to stay out late. She may not attend either party because she is in the late stage of her pregnancy, but she would like the option to attend if she is able to do so. Pretrial and the Government oppose this request. Thank you for the Court's consideration.

Denied.
